## **Temporary Permits When Clubs are in Recess**

Affiliated Clubs in recess, as determined by the AFL Victoria Country, shall be required to adopt a provision permitting any player of a Major or District League to play with a club in another League without a clearance during the period in which the original club is in recess.

This written permission shall be made out in triplicate and signed by the applicant player. One copy which the opposing club Secretary is compelled to acknowledge by signing prior to the player taking the field must be forwarded by the Secretary of the club with which the player desires to play to the Secretary of that club's League; one copy must be sent by the Secretary of the club granting such permit to the Secretary of his League, and the third copy shall be retained by the Secretary of the club granting the permit. All such permits shall be filed by the respective Secretaries and retained for production whenever required.

Permits cannot be issued for players to represent multiple clubs.

Any player having in any one season played under the provisions of this rule, and desiring to continue to play with the League club, shall only be permitted to do so upon applying for and receiving a clearance from his club and League in the usual manner or where such is refused upon an appeal being lodged and upheld. This clearance must be granted prior to July 1 in any given year.

Once the parent club comes out of recess all permits granted cease to exist in each case.

Players who are playing on permits in other Leagues and are reported for a field offence shall have the charge heard by the League tribunal in which the alleged offence occurs which in the event of finding the player guilty shall determine the penalty which shall then apply to matches of the club in the grade of competition where the offence occurred. Players are unable to play for any team if suspended.

Permits submitted in the Footyweb system as a Type 3 permit – Temporary Transfer.
