

Have You Joined CoachAFL Yet?

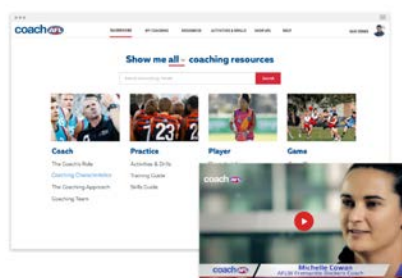

This is a reminder to all coaches to make sure you become a member of CoachAFL for the 2018 season.

For all coaches with a role on match day, it is a requirement to join CoachAFL to ensure you are an accredited coach. This includes Head Coaches, Assistant Coaches, Coaching Directors and any coach with a role at a club, regardless of your current coach accreditation status.

To become a member of CoachAFL, simply type 'coach.afl' into your internet browser and follow the simple joining process. This is where you will complete an online course and receive accreditation for 2018.

In 2018, **attending a workshop is NOT part of accreditation**. CoachAFL endorses coach attendance at face-to-face workshops as part of ongoing development, and ideally, these are completed after the online course.

As a member of CoachAFL, you will have access to:

← **A resource library filled with videos, articles and over 200 training drills!**

Ongoing learning and development opportunities →

To keep up to date with CoachAFL and to view some great coaching resources, you can follow us on Facebook and Twitter!

The CoachAFL team wishes you and your team all the best for the 2018 season!
